STUD CONTRACT TERMS

LITTER REGISTRATION

- POSH PETS will sign AKC/APR litter registration when the owner of the female applies for litter with the sire owned by POSH PETS.

INTEGRITY OF SIRE

- The dam owner will not allow the female to be bred by another male than the one listed in this contract.

PICK OF LITTER

- POSH PETS and its owner has the right to pick a puppy after viewing the entire litter. The dam owner will not hide any of the puppies born as a result of the mating from POSH PETS. POSH PET will be allowed to pick out of all the puppies which one to take as payment for the stud service. POSH PETS WILL NOT BE FORCED to pick from the litter sooner than 6 weeks from the date of whelping. A fine of \$1,000 per live puppy will be assessed to the female owner if it is found that the female owner has attempted to hide any puppies from the stud owner/POSH PETS. This fee must be paid within 30 days of written notice by POSH PET. Failure to pay the fees will result in legal action taken by POSH PETS in order to procure the fees. POSH PETS will bear the burden and any cost in accordance with picking up the pick of litter puppy.

WAIVER OF LIABILITY

- The dam owner releases POSH PETS and its owners/representatives from any and all liability associated with but not limited to the breeding of the dam. The dam owner and anyone accompanying the dam owner waives any and all liability to their persons and physical wellness while on the property.

ONE PUPPY SITUATION

- If only one puppy is born (or remaining alive at 8 weeks) POSH PETS will retain the right to half of the value of the one puppy. POSH PETS will not stipulate the sale value of the puppy, but POSH PETS will aid in the sale of a singleton puppy and forward half of the proceeds to the dam owner if dam owner has POSH PETS facilitate the sale.

LIABILITY WAIVER

- The dam owner releases POSH PETS and its owners/representatives from any and all liability associated with but not limited to the breeding of the dam. This includes any accident or injury to the dam herself or any persons or animals accompanying the dam for the breeding. Dam owner waives any accident liability to the dam even after leaving the premises where the stud is located.

BURDEN OF EVIDENCE

- The stud owner/POSH PETS may ask for veterinary evidence that the dam did indeed fail to become pregnant on a prior breeding, the burden of cost will lie with POSH PETS to pay for vet tests. Burden of delivery of dam to the veterinary clinic will be by the dam owner.
